## Resident Spotlight

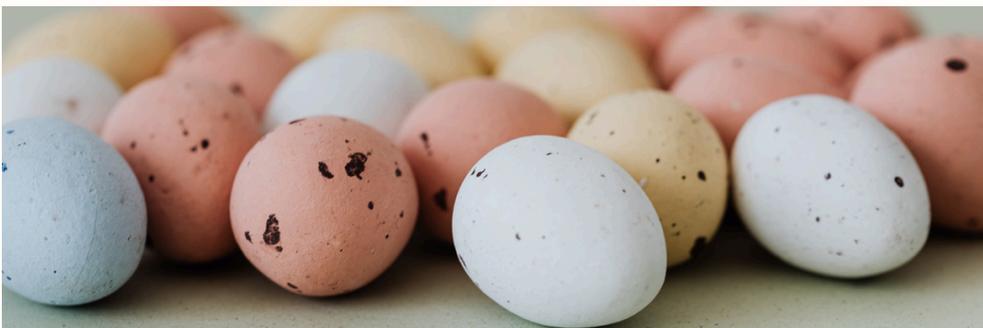

# SHERRY FISHER

Sherry grew up in Culver City and is one of five siblings, second youngest in her family. She has always enjoyed reading and sewing, hobbies that have been a meaningful part of her life over the years.

When it comes to music, she is pretty open. Anything but rap works for her. Food is a different story, though. She knows exactly what she likes: a solid Mexican meal with tacos or burritos, loaded with rice, beans, cheese, and beef. And if she is the one cooking, fried chicken is her specialty.

In her downtime, you will often find her watching S.W.A.T.. She enjoys a good, straightforward show she can settle into.

Sherry has a steady, no-nonsense presence and a clear sense of what she enjoys. She is a wonderful part of our CityView Community.

# Chag Pesach V'Sameach

---

Pesach at CityView is thoughtfully curated to offer a meaningful and elevated holiday experience.

We take care of the details so residents can fully settle into the holiday, with erev Pesach cleaning, chametz removal, and Bedikas Chametz all seamlessly arranged.

Our Seders are held in an intimate private dining setting, where residents are guided through the Haggadah in a warm and engaging atmosphere. Traditional elements such as matzah, marror, and grape juice are complemented by a refined Yom Tov dining experience.

Throughout Chol Hamoed, residents enjoy programming that adds to the spirit of the holiday, including live musical performances and a lighthearted Afikomen Hunt.

*All of us at  
CityView wish
