RESIDENT SPOTLIGHT

MEET MARTIN WYCKOFF

Born and raised in the Bronx, New York, he has lived a life filled with remarkable experiences and dedicated service.

After joining the U.S. Army at 18, he completed medical training and served at Walter Reed General Hospital, where he had the opportunity to meet President John F. Kennedy before being stationed in West Germany.

Following his military service, he traveled to Israel, spending 18 months working on several kibbutzim before settling in Southern California. He enjoyed a distinguished 30-year career as an LAPD detention officer, where he also served as the department's Hebrew interpreter. Beyond his many accomplishments, he is most proud of his family. A devoted husband, father of three sons, and loving grandfather, he is remembered for his imaginative storytelling, unwavering support, and the countless cherished memories he created with his children and grandchildren over the years.
