RESIDENT SPOTLIGHT

JALAL E.

Jalal was born in Iran in 1930. He has always loved reading and learning, and with his recent limited eyesight, has taken to listening to historical and current affairs podcasts. Jalal has traveled to many countries in his lifetime, and especially enjoyed his trip to Argentina. Jalal taught himself to sew to pay for his studies when he was younger and excelled in math. He is extremely skilled at playing backgammon so would love a game, if anyone is up for it!
