RESIDENT SPOTLIGHT

FLORENCE D.

Florence (Flo) was born and raised a Philadelphia native, and the youngest of six siblings. She later moved to CA and worked in Beverly Hills as a beautician to the rich and famous. One of her clients actually introduced her to her husband, Bernard! She loved raising their children and two dogs.

Flo always loved to dance, and attended classes three times a week, alongside enjoying other pastimes such as tennis. Thanks to a vivacious and uplifting attitude, she would always make friends at class, and to this day maintains life-long friendships.

Flo loves to participate in activities at City View, as well as continue to get to know people and maintain a positive attitude. She believes that everyone should be kind to each other, and lives by the adage “treat others as you would like to be treated”.

“

Treat others as you would like to be treated.
