RESIDENT SPOTLIGHT BARRY M.

Barry is an exquisite gentleman who is dear to our hearts. Born in Chicago, he enlisted in the Marine Corps after finished high school at the age of 18. Serving in the Corps for 26 years, Barry became a Master Gunnery Sergeant, a position he refers to as "The King of the World." He also worked for the Department of Defense (DOD) as a security consultant for 10 years. He loves his family dearly, and has been with Karen L. for the past four years. Fun fact: he collects Russian Matryoshka nesting dolls. We appreciate your service and all your hard work.

EXTRAORDINARY PEOPLE, EXTRAORDINARY NEWS

Dear Gentle Reader,

Everyone's favorite Pop Tart Brittany Spears and Sam Asghari finally tied the knot on June 9 at their Thousand Oaks' home... well, that is after Spears' ex, Jason Allen Alexander (not of *Seinfeld* fame!), gate-crashed the wedding. After tackling and arresting Jason, the love-lorn loser was unceremoniously sent on his way so the nuptial ceremony could continue!

And finally, even though they might be a few years apart, ravishing resident Eleanor T. and spunky activity director Amy H. share the very same high spirits and alma mater, University High School! Cheers to you both!

EMPLOYEE OF THE MONTH LILIAN D. Housekeeping

Lilian is our employee of the month for July! She works tirelessly as one of our housekeepers here at CityView. Lilian is always on top of making sure everything is squeaky clean.

Lilian always communicates with our team here at City View and she is willing to supply that extra hand at all times. We appreciate Lilian for her stellar hard work.

TEN FACTS ABOUT CHESS YOU PROBABLY DIDN'T KNOW!

World Chess Day is July 20, and in recognition of this fact, we'll be holding our very own Chess Tournament on the same day. Below are ten facts about the game most people don't know.

1. Chess has been used as a form of strategic military training from as early as Ancient India to the current age of technology.
2. The first Chess board with alternating light and dark squares appeared in Europe in 1090!
3. The word "checkmate" in chess originates from the Persian phrase "Shah Mat," which means "the King is dead."
4. The record of moves without capture is 100 moves during the Match between Thornton and M. Walker in 1992.
5. Out of 7 billion people that exist on Earth, about 600 million people know how to play chess worldwide.
6. The longest possible chess game adds up to an incredible 5,949 moves!
7. In the English language, the second book to ever be printed was about chess.
8. There are a total of eight different ways from the starting position to Mate in just two moves, whereas there are a total of 355 different paths to mate using three moves.
9. There are over 318 billion different possible moves after four moves each.
10. In 1985, Eric Knoppt played 500 games of 10-minute Chess in 68 hours.

BUBBIES, MOMMY & ME

TUESDAYS AT 2:00 PM

Every Tuesday afternoon in July, mothers from the local community and their babies get together with our CityView residents to share and delight in the joy of these little children. Residents recall the happy moments with their own children when they watch these little tykes play, laugh and enjoy themselves. Blowing bubbles, playing with blocks and rattles, and listening to the sound of children laughing are a few of the things you can expect to experience if babies are your thing! This truly unique program is sure to be a visit you won't want to miss.

LET'S DIG INTO THE TOPIC OF

Hot Fudge Sundaes

MONDAY, JULY 15 AT 2:00 PM

National Hot Fudge Sundae Day presents the perfect excuse to indulge in this tasty combination of both chocolate and ice cream! Look for the CityView Snack Cart to make its way straight to your door that day!
