## Lady Thistledown's SOCIETY PAPERS

June 2022

EXTRAORDINARY PEOPLE, EXTRAORDINARY NEWS

*Dear Gentle Reader,*

It's once again time for your monthly CV low-down from Lady Thistledown... and boy do I have some juicy tidbits this month! Congratulations are in order as we welcome back our Dining Room manager, Flor, after the stork left a beautiful (and healthy!) baby bundle of boy joy!

Did you know that our resident Winnie was a former top entertainment director from Beverly Hills, and she regularly offers her invaluable insight to our activities staff. Gaming arts weren't in Winnie's portfolio or purview, but six cool-handed residents have joined our poker club, and are ready to deal you in, too!

**EMPLOYEE OF

**SOMETHING FOR EVERYONE!**

Nostalgia is a feeling we're all familiar with, but it's more than just a powerful sensation. By stimulating the mind, nostalgia can be effective in helping with memory loss. While watching a familiar film can be entertaining and escapist, it can also act as a time capsule, helping one to recover old memories and emotional connections with the past.

Every day of the week, we offer a different viewing option in the evenings beginning at 6:30 pm.

Join us every evening for:

Sundays: Classic Series - *Seinfeld*

Mondays: Comedies

Tuesdays: Beloved Family

Wednesdays: Action & Thriller

Thursdays: Feel Good

## A FOCUS ON

Coffee

Almost every morning at 9:30 am, residents at CityView get together for a friendly cup of Joe. Sometimes we listen to music, do crossword puzzles, tell jokes, and even throw in a couple of body stretches! A little bit of caffeine is popular for a good reason: it helps you to better FOCUS, elevates your mood, and gets your body going.

Feel free to enjoy life's simple pleasures, and a cup of coffee is a great way to do it!
