Where Senior Life Happens

Resident Spotlight

Jody Vanden Heuvel

Jody was born in Iowa and raised in Madison, Wisconsin. At 38, with two young children in tow, she bravely returned to school and earned her nursing degree from UW Madison *summa cum laude*, a true reflection of her determination and grit.

Jody is a proud mom of three. She is a passionate gardener, filling her space with beautiful orchids.

She's also a book lover with a soft spot for historical fiction. "To Kill a Mockingbird" remains her all-time favorite. A true music enthusiast, she's rocked out to Pink Floyd and swooned to Aretha Franklin, but nothing tops the magic of seeing Elton John and Billy Joel live in concert.

She enjoys discovering new reads on BookBub.com and dreams of one day taking a trip to Italy. Jody's warmth, resilience, and love for learning make her a valued part of our community!
